## UI/UX DESIGNER

650-283-6318 | [kathyxma@gmail.com](mailto:kathyxma@gmail.com) | [www.kathyma.io](http://www.kathyma.io)

---

### SUMMARY

I am a UI/UX designer currently living in the Orange County. I love to solve problems while innovating clean, structurally sound designs for an exceptional user experience. I have the ability to thrive in cross-functional environments due to a combination of strong interpersonal skills and balanced creative-analytical skill set.

---

### PROFESSIONAL EXPERIENCE

Molina Healthcare, Inc.

Long Beach, CA | Oct 2015 - Present

**Web Designer**

- Created Axure prototypes for new UI/UX proposed for internal CRM web application used by call center agents. Presented prototypes to Directors and VPs of IT department to show how improved UI/UX can reduce time and effort needed to complete member call requests
- Completed front-end development for new CRM UI/UX based on prototypes to create functional prototype where actual data can be pulled from databases in order to compare loading times of current vs new UI
- Update over 300 PDFs and 1000 webpages per year for all 10 Medicare states for yearly Medicare updates
- Maintain 508 compliance for all Medicare webpages and PDFs
- Fulfill all public website content enhancements received from other departments via service desk ticketing system

Rapid Consulting Services, LLC

Irvine, CA | Jan 2013 - May 2015

### **Product Manager**

- Led development and launch of [Rapid Healthcare Inc](#)'s new website, Rapid's healthcare vertical, in June 2014
- Product owner of [Wound Capture](#). Developed user stories and created wireframes for application
- Led technical team to complete first [Mother's Milk](#) installation at Pomona Valley Hospital Medical Center (PVHMC). Currently in use for over a year with 0 misfeed errors
- Built [PMR \(Patient Medical Record\)](#) to overhaul traditional paper-based patient records system.  
Supervised integration of PMR with mobile printers and external scanners
- Revamped entire design of [Item Manager](#) to match iOS 7 User Interface guidelines and integrate new workflow and functions to improve app functionality
- Drove internal awareness on product financial performance, customer analytics, competitive and industry trends using Google Analytics

Rapid Consulting Services, LLC

Irvine, CA | Jan 2012 - Jan 2013

### **Product Development Associate**

- Led development of [Executive Suite](#). Received a 4.3 star user rating and over 100 downloads per month
- Worked with product management team to create custom applications for SAP Mobile Apps
- Created presentations on product launches to be presented to upper management team, focusing on project ROI and furthering company goals
- Consistently work with development team to test apps and resolve issues using Jira and TestFlight
